

MG-FD

Steel Grader Fenders

Available as fronts, rears or complete sets exclusively on late model Cat, Deere and Volvo Motor Graders. These super heavy-duty steel fenders will stand-up to the harshest conditions.

- Easy bolt-on installation. No welding means easy removal during machine service
- Will not interfere with of the machine's functions throughout their full range of motion.
- Fender wells are made from 14 GA steel and include heavy-duty rubber mudflaps
- Fenders provide ample clearance for tire chains
- Heavy 1.5" x 1.5" supports
- Integrated step allows access to engine compartments but can also be folded away and secured when not in use
- Allows both left and right, cab doors to open fully
